March 1, 2016

Dear Customer

This letter is to inform you of a minor change to products that you have purchased. It is the format of our certification of analysis (COA). But test items and specifications will not be changed except for Cellufine ET clean S and ET clean L. Detailed information of the PCN (Product Change Notification) is shown below, and the new format of COA is attached. If you have any questions regarding this change, please contact the JNC staff referenced below.

Detailed Information of the PCN (Product Change Notification)

< Change of Description >

1. Publisher

Current format : Quality Control Section MINAMATA FACTORY

New format : QC Section Minamata Factory

2. Product name

Current format : written in capitals (for example; CELLUFINE SULFATE)

New format : written only an initial in capitals (Cellufine Sulfate)

3. Addition of specification item (Only Microscopic test of Cellufine ET clean S and ET clean L)

Current format : None

New format : Addition

Reason) Microscopic test is unified specification of all Cellufine products

< Effective Date >

March 1, 2016
