August 1, 2025

Dear Valued Customer,

Notification of change : Shelf-Life Extension for MC-Media Pad EB

This letter is to notify you of the shelf-life extension for the following product:

Product name:
MC-Media Pad EB

Details of the Change:

- **Previous shelf-life:** 1 year and 6 months from the date of manufacture (when refrigerated)
- **New shelf-life:** 2 years from the date of manufacture (when refrigerated)
- **Reason for change:** The extension is based on successful stability testing, which confirmed the quality of the product is maintained throughout the new shelf-life period.

Please note:
This change does not affect product quality or performance in any way. Products that have been already shipped may have the previous shelf-life (1 year and 6 months) printed on the package. However, in accordance with this notice, you may now consider the shelf-life as 2 years from the date of manufacture for these products as well.

If you have any questions or require further information, please do not hesitate to contact us.
Thank you for your continued support of the MC-Media Pad series.

Sincerely,
Life Chemicals Division
