## Product Change Notification Letter

Dear Valued Customer,

This letter is to inform users of the following change to the Celluflow™ products listed below. To ensure a stable supply, JNC has decided to introduce an additional raw material grade for the production of Celluflow™. This change will not affect the basic manufacturing formulation or product specifications. We appreciate your understanding.

**Product name:**

Celluflow™ C-25  
Celluflow™ TA-25

**Product Change:**

Addition of a raw material grade for cellulose acetate

**Reason for the change:**

For stable supply

**Schedule:**

Applicable to products manufactured on or after September 5, 2026

Please contact JNC Corp. ([celluflow@jnc-corp.co.jp](mailto:celluflow@jnc-corp.co.jp)) if you have additional questions.

Best regards,

Life Chemicals Division  
JNC CORPORATION
