## Product Change Notification Letter

Dear Valued Customer

This letter is to inform to users of Cellufine Q-500. The production of Cellufine Q-500 has been manufactured with pilot scale production facility. However, , We decided to use other existing larger industrial scale manufacturing facility in addition to the pilot scale facility for this product. This is in order to ensure stable supply in anticipation of future demand expansion. With the addition of the facility, the production scale will be up to about 5 times as large as current pilot facility.

There will be no change in raw materials, basic manufacturing formulas, specifications, etc. according to this change.

**Product name:**

Cellufine Q-500

**Product Change:**

Adding manufacturing facility

**Reason of change:**

Due to expansion of demand for Cellufine Q-500

**Schedule:**

Apply shipping after June
