## Product Change Notification Letter

Dear Valued Customer

This letter is to inform to users of Cellufine products. JNC will change the storage conditions of below Cellufine products and the labels.

There will be no change in raw materials, basic manufacturing formulas, etc. according to this change.

### Product name:

Product	Before	After
Cellufine A-800	2~8 °C	2~30 °C
Cellufine MAX Butyl	2~8 °C	2~30 °C

### Reason of change:

As a result of the storage test, the quality was guaranteed even if the temperature was changed.

### Schedule:

Products with changed labels will be shipped after January 11, 2023.

Please contact JNC Corp. ([cellufine@jnc-corp.co.jp](mailto:cellufine@jnc-corp.co.jp)) if you have additional questions.

Best regards,

Shigeru Yamamoto  
General Manager, Sales & Marketing Department  
Life Chemicals Division  
JNC Corporation
