## Product Change Notification Letter

Dear Valued Customer

This letter is to inform to users of Cellufine™ products.  
Regarding the containers used for the Cellufine™, we have decided to add an additional supplier in order to ensure a stable supply. Since the container used in this change is already used for another of our chromatography media products, we believe that there will be no impact on product quality or performance. We kindly ask for your understanding regarding this change.

**Applicable products:**

All Cellufine™ products

**Change details:**
